

شذالخدمات اختبار المواد SHADHA MATERIAL TESTING SERVICES MTS

Working with you for Better Future

INTRODUCTION

We would like to introduce Shadha Materials Testing Services, a leading multi-disciplinary and an ISO 17025:2017 Accredited third party independent laboratory testing facility. Established in 2016, Shadha Material Testing Services caters to the need of various clients in Oman by offering its services in the field of Chemical & microbiological services related to Drinking water, Waste water, Sea water, Ground water RO Water, Borewell water, Food, Minerals, Rocks, Soil, Cement, Aggregates etc.

- Identifies customer needs, experienced and requirements to provide quality and timely cost-effective services without compromise.
- Multi National team consists of members with over 40 years experience in the relative field of chemistry and its application in chemical engineering.
- Can guarantee the most competitive pricing and highest quality standards.

1.1 KEY POINTS

Shadha Materials Testing Services (SMTS) is a 100% Omani owned, SME registered Laboratory under Shadaha Saif Mubarak al Hinai Trading and located in Muscat, Oman. It Provides cutting edge testing services to clients throughout various industries. Shadha Materials Testing Laboratories prides itself in offering the highest quality services to clients with minimal cost and on time delivery.

Has the required facilities and financial backing to accommodate a high volume of tests.

Shadha Material Testing Services is an ISO 17025:2017 accredited lab and registered with the Directorate General of Standards & Metrology, Chamber of Commerce & Industry.

VISION STATEMENT

Shadha Materials Testing Laboratories will maintain a healthy, sustained growth rate by establishing a strong reputation in the market and establishing a broad customer base. We will grow our customer base by meeting and exceeding their expectations. Shadha Materials Testing Laboratories strives to become the most innovative and comprehensive lab in Oman and become the role model for excellence and quality. We wish to be a company of which employees are proud to be a part of.

MISSION STATEMENT

1. To provide customers with superior quality testing and inspection services.
2. To provide this service with a rapid and efficient turnaround time in a courteous manner
3. To provide this service at a competitive

price, ensuring customer satisfaction.

4. To continue to reinvest profits to expand the capacity so that long run viability of the company is ensured.
5. To encourage the work force to enhance the service provided to the customer and to meet the challenging needs of the market.
6. To develop the staff through training
7. To establish and maintain a continuous learning environment
8. To constantly seek out and pursue new business opportunities to maintain growth.

VALUE STATEMENT

1. We value the loyalty of our customers and believe that they are the reason for our existence
2. We respect and value the rights of individuals and the society

3. We value the integrity and credibility of our company.
4. We value our people and their contributions, treat them equally, fairly and with dignity care and respect
5. We value the safety and wellbeing of our people, our customers and the public.
6. We maintain the confidentiality of our clients and the imparity.

QUALITY STATEMENT

1. **Shadha Materials Testing Laboratories** identifies and understand customer needs and expectations to provide quality and timely cost effective services without any compromise.
2. **Shadha Materials Testing Laboratories** shall strive to achieve our aim through systematic and regular review of the quality policy and objectives for continuing suitability and development needs.
3. Personal are committed to continuous improvement through education, training, communication, co-operation and full involvement.
4. Personal are committed to familiarize themselves with quality documentation and to implement policies and procedures in their work.
5. Shadha Materials Testing Laboratory's management team is committed to comply with requirement of regulatory authorities', ISO/IEC 17025:2017

HSE STATEMENT

1. Shadha Materials Testing Laboratories ensures that safety policies and procedures are communicated and posted throughout our operations and followed by all personnel.
2. Shadha Materials Testing Laboratories strives to maintain an exceptional health and safety record implementing preventive measures to ensure zero incidents on and off the premises.
3. All personal are trained to seek to be continually educated on safety systems and the latest safety procedures.
4. Department head gives HSE issues the same amount of attention, effort and importance that is placed on test quality & costs.
5. Employees at all levels are actively involved in the development and implementation of

CHEMICAL LAB

The chemical lab offers a variety of chemical & Microbiological tests for water and food. Also offers the chemical test for Minerals & Building Materials that cater to client needs. The lab has conducted tests for government bodies as well as private firms. Competitive prices and highest quality standards are guaranteed. The following tests are offered.

7.1.1 Water Tests

Test Name	Relevant Standard
Water for Drinking Purpose Bottled & Unbottled	OS 8-2012 / GSO 1025- 2014/APHA
Effluent & STP Water Analysis	APHA 23 rd Edition
Microbiology Tests	APHA 23 rd Edition
Water for making concrete	BS 3148/BS EN 1008

7.1.2 Microbiological Food Tests

Test Name	Relevant Standard
Total Plate Count (TPC)	C.C.F.R.A/BAM
Total Yeast & Mould Count (TYMC)	C.C.F.R.A/BAM
Clostridium Perfringens	C.C.F.R.A/BAM
Salmonella	C.C.F.R.A/BAM
Staphylococcus Aureus	C.C.F.R.A/BAM
Staphylococcus Cereus	C.C.F.R.A/BAM
Bacillus Cereus	C.C.F.R.A/BAM
Legionella	C.C.F.R.A/BAM
Shigella	C.C.F.R.A/BAM
Pseudomonas	C.C.F.R.A/BAM

7.1.3 Food Toxicity Tests

Test Name	Relevant Standard
Aflatoxins (B1 ,B2,G1 ,G2)	AOAC
Pesticide Residue	AOAC

7.1.4 Chemical Food Test

Test Name	Relevant Standard
Crude Fibers	AOAC
Moisture Content	AOAC
Water Activity	AOAC
Ash Content	AOAC
Heavy Metals	AOAC

7.1.5 Minerals

Test Name	Relevant Standard
Gypsum	ASTM C 471M-14
Lime Stone	ASTM C25M-11
Dolomite	ASTM C25M-11
Chromite	ASTM E342-11
Iron Ore	ASTM E246-10
Manganese Ore	ASTM E248-07
Laterite	ASTM E246-10

7.1.6 Building Materials

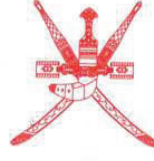

Test Name	Relevant Standard
Soil	BS 1377:PART 3:1990
Aggregates	BS 812:1988/ASTM
Cement	BS EN 196 / ASTM C311
Admixture	BS EN 480-10
PFA	ASTM C6181 ASTM C311
Micro Silica	ASTM C1240-03/C114
Soil for Agricultural Purpose	US Dept. Of Agriculture Handbook 60

ACCREDITATION CERTIFICATE

Testing Laboratory
No. ATL 0087

SHADHA MATERIAL TESTING SERVICES
PB 3008, PC 130, AZAIBA, MUSCAT, BUILDING 498, WAY 7904, SOUTH MABELIA, OPPOSITE AL MAHA PETROL PUMP, NEAR
TOYOTA ROUND SULTANATE OF OMAN

is accredited by the GCC Accreditation Center (GAC) in accordance with the recognised International Standard ISO/IEC 17025:2017:
"General requirements for the competence of testing and calibration laboratories"

A laboratory's fulfillment of the requirements of ISO/IEC 17025 means the laboratory meets both the technical competence requirements and management system requirements that are necessary for it to consistently deliver technically valid test results. The management system requirements in ISO/IEC 17025 are written in language relevant to laboratory operations and operate generally in accordance with the principles of ISO 9001 (refer to joint ISO-ILAC-IAF communiqué, April 2017).

This accreditation demonstrates technical competence for a defined scope, as detailed in and at the locations specified in the scope of accreditation, the accreditation scope to this certificate is an essential accreditation document and from time to time may be revised and reissued by the GCC Accreditation Center. The most recent issue of the scope of accreditation which bears the same accreditation number as this certificate, is available from the GAC website www.gcc-accreditation.org

The accreditation is subject to continuing conformity with GAC Accreditation requirements and the status of accreditation can be checked in the GAC's website to confirm the validity of this accreditation.
